

Ronseal One Coat Appliance Paint is a tough & durable enamel finish which transforms and co-ordinates old & tired household appliances in just one coat

- One Coat application • Tough enamel finish • Resists knocks, scratches and chipping
- No primer required • Touch dry in 3 hours • No brush marks

USAGE AREAS • Suitable for Fridges, Freezers, Dishwashers, Washing Machines & Microwave Ovens.
• Not suitable for use on Hobs, Cookers, or the inside of Microwave Ovens.

PREPARATION • It is essential that the surface is clean, dry and free from dust, dirt, or grease. • All surfaces should be cool prior to application.

APPLICATION • Stir well before and during use.
• Apply with a bristle brush. A second coat may be required where a major colour change is involved. Allow 16 hours between coats. • Test plastic trims and handles for adhesion on a small area first.

COVERAGE AND DRY TIMES • 8m² per litre.
• Touch dry in 3 hours. • Overcoat after 16 hours if required. • Low temperature, high humidity or poor ventilation may extend drying and recoat times.

CLEAN UP • Remove as much product as possible from application equipment prior to cleaning.
• Clean brushes with brush cleaner or white spirit.

CARE AND MAINTENANCE • Clean surfaces with a detergent solution. • Avoid abrasive cleaners.
